

How to Access Patient Portal ~ Cobb Internal Medicine

1 **Brand New** patients who pre-register will receive a User ID and Password after their first appointment.

Existing patients should request User ID and password during office visit.

2 **You will also receive an e-mail from eClinical with your User ID and Temporary Password.**

*Although your user ID will be shown as UPPER and lower case, User ID is **NOT** case sensitive.

*Your password **is** Case Sensitive

3

Go to →

Click on "Patient Portal"

4

eClinicalWeb

Pre-register ONLY IF you have never been seen by Cobb Internal Medicine doctors.

5

The first time you logon, for security, you will be asked to provide your Birthdate **OR** Phone Number. (**Birthdate is preferred**)

6

You will also be asked to enter a **NEW** Password and unique security question.

NOTE: If you have trouble logging on, please wait 30 minutes, review procedures, review your logon and password information, and try again. If you continue to have problems, contact Cobb Internal Medicine at: 678-797-9800
